Desperately Seeking Pleasure

Welcome aboard! Follow cruise goes Dante and Celeste Wright, Greg Thomas, and Michal Sexton as they sail out in search of love, fun, understanding and self-realization on a fantastic voyage to the beautiful Bahamas.

To some, the trip will be a relaxing vacation getaway and a chance to connect with life-long friends. For a few of the more daring passengers, as soon as the hot Caribbean sun sets, the heat gets really turned up. For them, nights at sea are the perfect opportunity to let go of all inhibitions and to experience whatever their hearts and bodies desire.

There are secrets revealed and fantasies fulfilled on this fabulous four day passage to paradise. But remember...what happens on the cruise, stays on the cruise.
